## Marijuana: Legal Landscape

Federal

- Schedule I controlled substance under the federal Controlled Substances Act (CSA)
  - No accepted medical use, high potential for abuse
  - Distribution of marijuana is a felony, proceeds and instrumentalities subject to asset forfeiture

## State

- 33 states and DC allow medical use of marijuana
- 14 additional states have medical programs that are limited to low-THC CBD products
- 11 states and DC have legalized marijuana for recreational use
